

A Picture is Worth a Thousand Words:

Location Map of BTNE Estuary LIVE

Below is a map of the Barataria-Terrebonne Estuary. The arrows point to two Estuary LIVE sites in the Barataria-Terrebonne National Estuary.

- Write directions from your home or school using major highways to get to the Estuary LIVE broadcast sites.
- Estimate how long it would take to drive to the Estuary LIVE 2003 site from your home or school, if the speed limit was posted at 60 miles per hour the entire route.
